# Cranford Cafe

The name 'Cranford' originates from the novel by Elizabeth Gaskell who spent most of her childhood in Knutsford, which later became the base for this work. The novel Cranford tells the story of a provincial town and it's community of delightful simplicity and innocence as it was in the mid 1800's.

.....and not forgetting the younger ones...  
we have our own specially designed 'Cranford Kids' menu which is also an activity sheet to keep them busy!!!

We use mayonnaise made with free range eggs in our sandwich fillings. Should you have any specific dietary requirements we will do our best to help. Please do not hesitate to ask!

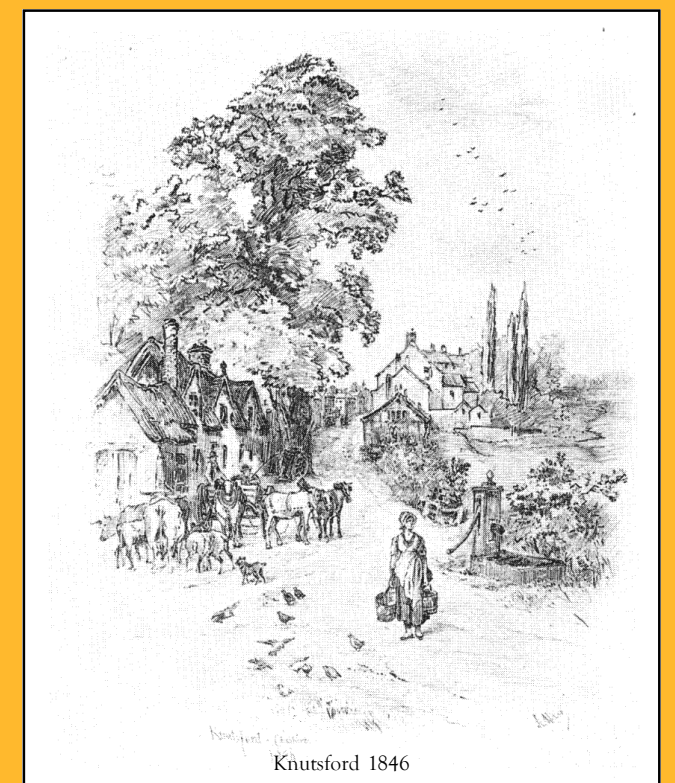

As well as our Café, we also provide a complete range of fabulous buffet food for any occasion! From office events to board meetings, from birthdays to anniversaries. We can help!

We accept payment by cash or cheque with a guarantee card. Washing up could be an option!
